## 2016 Tiered Investment Dues

We believe that one size of membership does not necessarily fit everyone. Different businesses have different needs and expectations from the Chamber.

To allow you to customize your membership, the Stayton Sublimity Chamber has built its membership dues structure based on several different membership tiers. Each tier features a variety of member benefits. Just review the Tier Summary Page on the reverse and choose the tier with the benefits you want for your business. If none of these tiers fit your needs, talk to a staff member about customizing your membership.
